What is the new GRS-1?

- Is it a decimetre handheld GPS unit?
- Or is it a sub 5 cm handheld DGPS unit?
- Or is it a 1 cm RTK unit?

The Answer: The GRS-1 is all three!

See, feel, experience the GRS-1

- See how the GRS-1 will revolutionise the way you collect data
- See how quick and easy it is to connect to a network
- Watch how the GRS-1 goes from being a handheld decimetre unit to a 1 cm RTK unit
- Feel how light the GRS-1 is
- Use the built-in camera to enhance your presentations and reports
- Be astounded by the price

Professional accreditation

Attendance will gain you CPD points

Mark your diary now!

It only takes a single two-hour session to find out everything you need to know about the flexible GRS-1
